

# Let's build the future. Welcome to Industry Day 2010!

*Be a part of one of Europe's largest science facilities  
the European Spallation Source, ESS.*

Welcome to the ESS Industry Day, a general information event on ESS and Industry at the Royal Library in Copenhagen on February 19th 2010.

The ESS Industry Day will include talks and open discussions on how industry can get involved in ESS ranging from design and construction of this 1.5 B€ facility as well as operation to using neutrons for industrial R&D.

The programme will start with registration at 8.30 am and end at 3.30 pm.

You are also invited to a dinner in Copenhagen if you are arriving the night before.

For registration and further information please visit <http://ess-scandinavia.eu/industryday>  
Please note that the registration will close on February 5th.
